'In My Life'

*There are places I remember
all my life though some have changed.*

*Some forever not for better
some have gone and some remain.*

*All these places had their moments
with lovers and friends I still can recall.*

*Some are dead and some are living
in my life I've loved them all.*

*But of all these friends and lovers
there is no one compares with you
and these memories lose their meaning
when I think of love as something new.*

*Though I know I'll never lose affection
for people and things that went before,
I know I'll often stop and think about them
in my life I love you more.*

*Though I know I'll never lose affection
for people and things that went before,
I know I'll often stop and think about them
in my life I love you more,
in my life I love you more.*
