The Warmth Of Her Love

The warmth of her love,
may you always feel it.
The sparkle of her personality,
may you always sense it.
The music in her laughter,
may you always hear it.
The strength of her footprints,
may you wisely follow the life she designed.
May her artistry move you.
And may the impressions she made
be mirrored by you.
We now leave the memory of our beloved
Eva at peace with enduring love and respect
we wish her farewell.
May you find strength and support
in your love for one another and
may you find peace in your hearts.
